

desire to see him but he had been away and was not available.

Now, here is a list of books which were Osho's own and which he gifted to the library after having studied them. It will enhance the interest of reader if he does not forget the Osho's date of birth, which is Dec, 11, 1931. Almost each book bears his distinct signature. Most of the books also bear the date.

| S. No. | Name of the Book                                           | Author's Name                                                                          |
|--------|------------------------------------------------------------|----------------------------------------------------------------------------------------|
| 1.     | That They All May Be One<br>(Signature - Rajneesh)         | by Amos R. Wells<br>30.9.51                                                            |
| 2.     | Stalin's Russia                                            | by Louis Fischer 1951.                                                                 |
