TO WHOM IT MAY CONCERN:

I have been asked to write in support of the teacher Rajneesh in his efforts to remain in this country. I am not personally acquainted with him, and my way of teaching is very different, but it is apparent to me that his message is very meaningful to large numbers of people and that he meets their needs.

Therefore, so long as the basic laws of our country are being observed, I would hope that the teacher Rajneesh would be allowed to remain in this country to teach as he deems appropriate. I believe this would be in keeping with the principles upon which our country is founded.

Respectfully submitted,

Director, Diamond Sangha
