To whom it may concern

I'm writing this, because I hope that Bhaghwan Shree Rajneesh will be allowed to stay in Oregon with his Sannyasins for the rest of his life.

I'm a librarian at the Stadt-Bibliothek in Hannover, Germany. I first learned about Bhaghwan through my eldest son before he became a Sannyasin. Never before I had seen him so happy and sure of having found the right way for himself. Of course I was very interested in everything concerning Bhaghwan. I read most of his books and was fascinated by the thoughts of this man. I think his message can only be good and helpful for people and never do harm to anybody. I wish more and more people should learn about him and try to understand and live what he is saying.
