To Whom It May Concern

I have been employed by the Inner London Education Authority as Teacher-In-charge of an Education Centre in East London for the past 4 years. Previous to this I was in business trading under the above name for 10 years.

I am not and never have been a follower of Bhagwan Shree Rajneesh. However I have come to know a number of his followers and have also employed the Sun Services building contractors on a major contract. The followers of the Bhagwan greatly impressed me (and also neighbours, government building inspectors and other members of the building trade) both on a personal and a professional level.

Accordingly, I would wholeheartedly support the visa application by the Bhagwan Shree Rajneesh to the United States Government.

Yours Faithfully,

Alan Park-Rou
