PARIS, le 20 Juillet 1983

Depuis de nombreuses années je suis concerné tant personnellement que professionnellement par l'action de certains hommes "particuliers" que l'on peut définir comme des "guides spirituels". J'ai réalisé de nombreux reportages, films et ouvrages divers sur nombre d'entre eux.

Je connais Bhagwan Shree Rajnesh depuis 4 ans et je n'ai jamais cessé de reconnaître en lui un être particulièrement exceptionnel dont l'oeuvre est une contribution originale et nécessaire à notre époque.

Je souhaite qu'il puisse poursuivre son action là où il a choisi de le faire et qu'il y soit encouragé dans la paix et l'harmonie.

Paris, July 20, 1983

For many years I have been concerned, as much personally as professionally, by the activities of certain "particular" men that one can define as "spiritual guides". I have directed numerous documentaries, films and diverse works / <sup>about</sup> a number of these.

I have known Bhagwan Shree Rajneesh for four years and I have never stopped seeing in him a particularly exceptional being whose work is an original contribution and necessary for our epoch.

I hope that he can continue his activity there where he has chosen to do it and that he will be encouraged in peace and harmony.
