

TO WHOM IT MAY CONCERN

My name is Ramses Shaffy, working and living in Holland as an actor, singer, songwriter and composer.

For twenty-five years I have been on the stage, in films, on television, and made seven longplaying records of my own songs.

I got an 'Edison Award' for one of my albums, and am preparing a new one, containing the songs I wrote since I have been initiated by Bhagwan Shree Rajneesh in 1981 in Poona, India.

He is my master, and we are in a deep love affair.

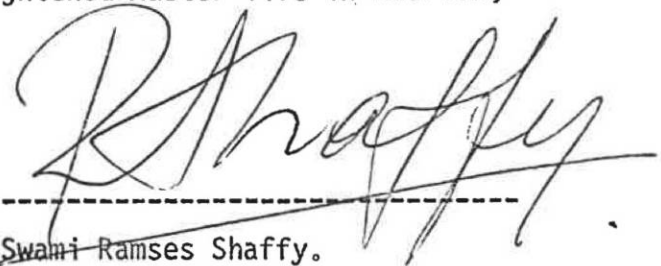

He creates a revolution of the heart, and may His love and vision shine through my work and being.

He said: 'You don't have to listen to my words, but imbibe my silence and look at my works'.

That fabulous experiment, His new commune, Rajneeshpuram in Oregon, can show the world how a new kind of man can perform a way of life, which may prevent a global suicide, and the source is the inexhaustible force: Love.

And so I became His disciple.

I feel it as the deepest urge in me, to convince you that this utter seldom opportunity to let a living enlightened Master live in America, should be undrestood.

Swami Ramses Shaffy.
