This is in support of the application of BHAGWAN SHREE RAJNEESH to retain his residency in the United States of America.

I am an Officer in Charge of a Technical School, and a qualified school teacher with the Education Department of Western Australia.

I am an Associate Fellow of the Australian Institute of Management, a member of the State School Teacher's Union, and belong to the W.A. Archaeological Society and the W.A. Astronomical Society.

My knowledge of Bhagwan Shree Rajneesh has been derived from his international renown, from discussions with members of his following, from extensive reading of his works, and his recorded talks.

I have open religious and philosophical views and consider the work of this leader to be of the highest spiritual order.
