

Nevele, 19th july 1983.

To whom it may concern,

I am a medical doctor, working as a physician in Belgium. Although this is a small country (as you probably know), Bhagwan Shree Rajneesh is a very well known personality.

For myself, I consider him as a very interesting person with important insights, especially in these problems and fields which exist since lifetime : relationship, existence, meditation, reflection...

He moves in an enormous field of spiritual and philosophical knowledge with accuracy and a great synthesizing ability.

Yours sincerely,

Dokter J. MAEBE
