To Whom It May Concern:

My wife and I are forty years old, we are both college graduates, have been married for seven years, and have two children. We own and run a stationery business which sells products around the United States. I am in the Art Directors Union in Los Angeles.

Felice and I are not members of the Rajneesh Association, but we do know Rajneesh and many people who are more closely associated to him.

We are aware that Rajneesh is having immigration problems and want to let you know that we are happy that he is in the United States and feel that he is a person of exceptional abilities and a major contribution to the American culture and traditions of constitutional freedoms.

Please hear that we are in complete support of his staying in this country.

Sincerely yours,

*Boyd & Felice Willat*
