To whom it may concern

My name is Swami Prem

Abhinanda and I've been a disciple of Bhagwan
Sree Rameesh for the past six years. At present

I am visiting Rameeshpuraam for a period of three
months to be in the presence of Bhagwan and to
experience life here in his commune. Having spent
some time with Bhagwan in India listening to him
give his daily discourses I find his silence more
beautiful and far more eloquent than his words
can ever be. His love and beauty overflows to
all who come close to him and rarely has a
man of such grace beauty and vision walked the
earth.

In my work as an interior designer and
carpenter in Europe Bhagwan has had a tremendo
influence. He has inspired my creativity and
increased the joy and satisfaction I receive from
working. His presence influences all actions and aspects
of my life transforming it into a thing of beauty
and love. His love and vision has the power
to transform the world creating a more peaceful

and loving environment not only for his disciples
but for everyone to share in. Words are
insufficient to express the gratitude I feel for
Bhagwan for him simply being here, alive and
on this earth to share the divine with
us.

Yours truly

Swami Prem Abhinanda
