2401 AMERICAN RIVER DR.
SACRAMENTO
CALIFORNIA.

To whom it may concern:

It's difficult to explain with words what we feel in the presence of Bhagwan Shree Rajneesh.

It's something in which words cannot be used, it's a communication from heart to heart, you only have to open your heart and melt.

You can feel this in everything and in everyone, you feel it when you breathe the air, when you look to the mountains, when you see the smiles of the people who live in Rajneeshpuram, even when they work 7 days a week, they do it so happily, with so much love.

You just have to come to Rajneeshpuram for the Annual World Celebration, where 15,000 people from all over the world gathered, just to be, for 7 mornings in the presence of Bhagwan Shree Rajneesh.

Words are not more needed.

We only need his presence, his immense love and compassion.

The only thing needed for the miracle that it's happening in Rajneeshpuram is him, Bhagwan Shree Rajneesh.

Yours sincerely,
