

July 24. 1983

To whom it may concern
I'm musician. I received my musical education
at the University of Cologne West Germany.
I used to be a member of the philharmonic
orchestra in Cologne and different modern music
groups in England Germany and Belgium.

I first met Bhajwan Shree Rajneesh in
November 76 in Poona, India. I was
visiting his Ashram several times. When he
changed into silence, I was not surprised,
because the beauty of music is the silence in
between.

Through Bhajwan Shree Rajneesh I was able
to use the musical exercises as meditations
and work in the same way in other jobs.

I can create the same energy in playing
piano as in working in gardens or driving
taxi.

Bhagwan Shree Rajneesh is my religious
teacher and I am grateful to be in his
presence

Sincerely yours

G. Dolfus
