TO WHOM IT MAY CONCERN

My name is DILZA MIGUEL ELIAS. I am Brazilian, accountant, married. Before retiring, I was secretary of one of the directors of BNDES - National Bank for Economic and Social Development, where I worked from 1963 to 1979. My parents were Catholics, I was a Catholic but never related to religious matter, until I found Bhagwan. I can tell you that I consider my life, now, as Before and After Bhagwan. You cannot imagine how things changed inside me. Bhagwan's religiousness, His presence, His teachings, even His silence made me another person. I have now a loving and loved Master, all my fears are gone because I know I can count on Him whenever I need Him and ask for His help. Bhagwan is the most beautiful religious people I ever met. Through His meditations I see life with new eyes, through His blessings I feel life with new heart.
