

To Whom it May Concern

All my life I had been a very unhappy person but since my finding Bhagwan my life changed dramatically to a full & contented existence. He has taught me the meaning of life & love & I know with his love & understanding I can live my life to its full extent & when the time comes for me to leave this life I will still be thankful to Bhagwan to have shown me how to have lived. I have always heard "Life is what you put into it" but I never knew what it was I had to put into it before. I believe I was dead before Bhagwan gave birth to me.

Just knowing Bhagwan is there
in his silence (even if it is many
miles away) I feel his presence
& his love & guidance & understanding
is with me always.

I will be forever grateful that
Bhagwan is sharing this space in
time with us to bring about a new
passive & loving, caring human
being.
