To whom it may concern,

I am an artist in Holland (Rietveld Academy)
In Bhagwan Shree Rajneesh I recognize another artist.
I work with fibre and color,
He works with human beings.
I try to make beautiful things.
but he is beauty.
To have him leave the united states
would be the crime of turning
the christ child out of the stable.
Do not make this mistake!

Ma Antar Yatro,
(M.M. Magalhães. van der Velden.)
