Dear Rinzai,

I want to express my personal feelings regarding Bhagwan Shree Rajneesh as I feel he is an outstanding individual and certainly deserves special consideration from my Government regarding staying in the United States.

He is one of a kind and his teaching certainly makes one look at oneself and if anger occurs from some; I would suggest they say Thank You for the opportunity to get in touch with anger and have a direct way to learn from and go thru the feeling.

He is an outstanding individual who has chosen to live in the United States and I feel we should make him welcome with open arms.

If you wish to hear more of my feelings please do not hesitate to contact me.

Sincerely,
