To Whom it may Concern:

My name is Lois Earl and I am the owner of Lois Earl Enterprises, a publisher's representative company. I am writing to plead on behalf Bhagwan Shree Rajneesh for his right to remain in our country.

This enlightened teacher is a spiritual guide to thousands all over the world, and it is an honor for the USA to be host to this exceptional human being. The many, many books and tapes that he has written promoting love, peace and the community of man make him a much needed asset to our country and our planet.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lois Earl".
