To whom it may concern.

I am a disciple of Bhagwan
Shree Rajneesh since 1980.

I knew him in Poona when He was giving
discourse every morning to thousands of
people, and immediately I felt to be
in the alive presence of a Jesus or a
Buddha.

Now, that He is in silence, I have
the feeling that His work is becoming
more deep than before.

This commune in Oregon, that I have the
chance to visit is the most beautiful
experiment of living life in a simple
and loving way.

What is happening here is that everyone

is living in love and the fragrance of
this love produce an harmony in all
over. Rajneeshpuram.

His presence here gives the possibility that
all this beauty can happens.

The alive presence of an enlightenment
master, as Bhagwan Shree Rajneesh is,
is the only reason that produce the
most great experiment of living together
that is happening in Rajneeshpuram.

With love

Rita Ulfzi
