To whom it may concern:

My name is Thomas Zolliker born
in Zürich Switzerland
I did an apprenticeship as a Goldsmith
for 4 years with Philippe Pélard in
Zürich from 1972 to 1976 after that
I was on my own in the jewelry trade.
Also I was travelling around in different
countries to study different styles of
native jewelry, to find a way
to do something new, a new direction.
Bhagwan Shree Rajneesh whom I

met first in 1978 gave me a
new insight to the work i'm doing.
His exceptional teachings showed me
a completely new approach to
jewelry design and work. I haven't
experienced anything like him before.
As an experienced jeweler i can state
that Bhagwan Shree Rajmish is a big
benefit to me an my work

Sincerely yours
