To Whom It may Concern:

My name is Ernst Kücklich and I am a German lawyer practicing in Munich, West-Germany since 1969.

I received my juridical education at the University of Munich from 1960 through 1964 and I did also philosophical and religious studies there.

As a lawyer I have admittance to all the Courts in Munich up to the Oberstes Landesgericht.

Since 1980 I am a disciple of  
Bhagwan Shree Rajneesh

I first experienced Bhagwan Shree Rajneesh in 1978 by one of his printed discourses on Jesus and have since then read and heard many of his religious discourses on Jesus, Islam and Sufi-mysticism, Buddha and Zen-Buddhism.

I experienced the teachings of Bhagwan Shree Rajneesh giving exceptional new insights into all the great religions of the world and seeing a never-heard approach to the very essence and the core of every religion.

During the Festivals held in Rajneeshpuram in 1981 and in 1983 I realized the presence and the silent radiation of Bhagwan Shree Rajneesh as a very powerful spiritual guidance which is even more powerful than any verbal teaching.

I therefore hold upon Bhagwan  
Shree Rajneesh as a man of extra-  
ordinary and exceptional abilities  
as a religious teacher and a  
Spiritual Master.

Sincerely yours  
Ernst Kuehlich
