

Swami Darshano

To Whom it MAY CONCERN:

I Feel a GREAT ONENESS a GREAT love FOR Bhagwan and Waves of EMOTIONS Sweep Through my whole BEING - Sometimes makes me WANT TO laugh and Sometime TO Cry. Makes me ~~we~~ very aware of myself and my PROBLEMS - and always very aware of his presence.

Bhagwan is often in my DREAMS JUST THERE and often TALKING about THE RANCH: when we meet in my DREAMS - even though we have NEVER MET IN PERSON - he always KNOWS who I am.

Love DARSHANO
