To whom it may concern

There's one big thing I'd like to share with you: living in the Buddhafield in the presence of Bhagwan Shree Rajneesh. It is such an enormous positive stimulation to become more and more aware of my Being, which effects in more and more love. With the Buddhafields all over the world Bhagwan created a space for people to grow, to become more human and divine.

Just one month ago I visited Rajneeshpuram, the strongest Buddhafield on earth and I'm so thankful to be there once in a while. It is a blessing to be near my master.

And it is so far out what's happening in Rajneeshpuram! So much love, life and laughter. It is beautiful to see how the mountains got so much greener between my visits July '02 - July '03!

In the Dutch Buddhafield where I live, with many other lovers of Bhagwan, life is experienced and expressed as one great worship, which is for me the highest sincere way of being religious.

The only thing I'd like to say is how thankful I am for being disciple from Bhagwan Shree Rajneesh!

much love

Ma Vitham
