

To whom it may concern

My name is Loredana Monti; my
samayas name is Sunder Loredana and
I actually do periodic work after
I have followed a course for secretary.
Now I am 28 years old, I am samayasin
from 1 year and I have started to
follow his teaching from 2 years.
Everything is began for curiosity with
the hope to find a religion that I
had never had, and to seek real things.
The way is not easy, how it seems
apparently, there are contradictions and questions,
but there is even love to get and to
know how to give.
