TO WHOM IT MAY CONCERN:

With this writing the undersigned W.E. Schneebeili would like to support the work of Bhagwan Shree Rajneesh that it finds its recognition in the world and that His centers can continue their activities.

As an outsider and occasional visitor of Akshaya Rajneesh Meditation Center Lugano I can only express my thankfulness to have this place to rest in peace, love and relaxation from my daily stress.

I wish that Bhagwan and His friends will always be my true friends.
