To Whom it May Concern,

I met Bhagwan through my lover. At last after a long time of searching I have found what I have been looking for.

I became a disciple of Bhagwan's on the 19th of April, 1983. I don't know how to express the joy of this. I feel that any words would be nonsense. I think that at last I have come back to my self

Now Bhagwan is in silence and I can feel His presence through this silence. The more I look at myself the more grateful I feel for meeting Him

I feel so much warmth through His love and meditation. Deep in my soul everything is melting and all barriers are disappearing.

Thanking you

Sachiko Takaki
