

To whom it might concern

7.8.1983

I am Sannyas since Mai 5 1981

And for me, after Bhagwan became silent, his real word on me started to happen. Just sitting and let it become happen.

And how to tell you, how it is when your words touch your heart and his bliss and joy, becomes more part of yours.

And for people who still feel the need to study, or prove, or just like to listen, there are 250 books and thousands of tapes, millions of words, available in Centers all over the world.

There are so many ways to open to him, the heart, love seem to be a secret.

And sorry, I can't tell you

it's a secret! !

My friendly regards

Sadami Nityananda
